

# Year 1 and 2 Curriculum Letter Spring 2 2024

**English** In English we have been reading a lovely book called 'Sweep', all about Ed and his very bad mood. We are going to be writing sentences using conjunctions and then we will write our own diary entry all about Ed's day!

**PE** In our Outdoor PE lessons we are continuing to develop our 'ball skills' using our feet. In our Indoor PE lessons we are focusing on dance, looking at creating dancing for the theme 'The Zoo'.

**Geography** This half term in Geography we are looking at Continents and Oceans. We will be using atlases, maps and compass directions to help us locate them.

**History** In History we are going to use historical sources to help us learn all about Florence Nightingale and the amazing things she did.

**Science:** This half term we are continuing to learn all about materials, sources of light and sources of sound. We will conduct some experiments to help us develop our understanding.

## **Maths**

**VK1:** We will be focusing on place value within 50 and measurement.

**T1/2:** This half term year one will be focusing on measurement and securing their knowledge of place value within 50.. Year two will be continuing to focus on money and multiplication.

**W2:** Will begin to focus on measurement in maths. They will be looking at height, length and mass.

**DT:** This half term in DT we are going to be focusing on building a shelter with light. We are going to test materials, build circuits and use this knowledge to help us build a shelter.

**PSHE** We are continuing with the amazing My Happy Mind programme which the children absolutely love. We are going to focus on 'Appreciate'. We cannot wait to see what songs we are going to learn this half term!

**Music** Children will continue to work with our specialist Music teacher in their 'Rock It' sessions.

**RE** This half term we are going to look at Families and their importance in relation to faith. We are also going to look at what families we are a part of such as school, home and faith.

**Computing** We are going to look at creating our own animated storybooks using our fantastic programme 'Purple Mash'.
