

Year 1/2 Curriculum Letter Summer 1

Maths vk1 This half term we will be focusing on fractions and position and direction with shapes.

In T1/2 Year 1 will be focusing on multiplication, division and fractions

W2 We will be focussing on fractions this half term and consolidating our number skills that we have learned so far.

Art Children will be using their collage skills inspired by Henri Matisse to create pieces of mixed media collage artworks.

Computing In this half term's unit in Computing we will be learning about data handling on Purple Mash.

Science We will focus on how seeds and bulbs grow into mature plants. We will also be looking at how we revive plants. We will then look at the different foods that different animals eat.

Geography In Geography we will be learning more about the weather and then focusing our learning on Australia.

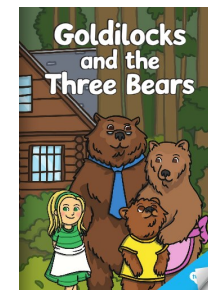

History In History the children will be using sources to learn about Neil Armstrong and why he is a significant person in history.

Music The children will continue to work with our specialist Music teacher.

English We will be re-telling traditional fairy tales and then writing our own version of a traditional fairy tale. We will also be writing a recount of our School trip to the farm, focusing on writing in past tense.

RE In RE we will be learning about stories and answers based on Jesus and how he helped others. This will help us to understand what a good person is.

PE In Outdoor PE the children will be working on developing their "Games for Understanding". In Indoor PE they are continuing to develop their skills with a unit "Cool Core Strength".

PSHE We will be continuing our learning with our new My Happy Mind programme which the children are loving learning. It helps us to develop a positive mindset.
